

Minutes of the Town Web Site Committee

March 24, 2010

Approved 4/28

Executive summary:

The Committee celebrated the Common Cause E-Government Award with Distinction. The logo has been placed on the Town Website with a link to their website. The status of the Public Opinion Survey covering both cable TV and the Town website was discussed. Walter Harmer will be assisting the Cable and Web Committees as a participant in the COA Tax Write-off plan. A recommendation was made to post a notice and link on the home page to the Dept. of Public Works website for Public Safety Information. Having the responsible Department maintain current information about floods, closed roads, etc. will result in more timely, accurate information. A Candidates Night will be held by the League of Women Voters on 4/14 and re-broadcast several times before Town Meeting. The results of Town Elections will be posted on the website. Jeanne Pickering discussed a method of collection funds over the Internet for town purposes. MK Pay Technologies offers this system that is being used in Georgetown and other local towns.

Members present: Bill Whiting Jeanne Kinhan and Jeanne Pickering and Kim Philpot

Members Absent: None

Guests: Martha Morrison
